

10 September 1971

MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activities Report
7 - 10 September 1971

OTR/CI STAFF CONFERENCE

1. Officers from the Operations School and [] met with representatives from the CI Staff during the afternoon of 7 September and the morning of 8 September to exchange views on counterintelligence training. 25X1A6a
Messrs. [] Chief, [] Chief, [] and 25X1A9a
[], attended throughout; several other CI Staff 25X1A
25X1A members made only brief appearances. The conversations explored the nature of CI functions for which OTR trains persons, the information or attitudes which should be conveyed to the students, training materials and techniques, and the placement of training within career ladders. The CI Staff is preparing a resume of the conversations to be coordinated among the participants. Hopefully it will serve as a basis for some specific planning and preparation. A second phase of the process will certainly involve participation of the principal "customers" - the area divisions, either together with or through the cooperation of the CS Training Committee.

GENERAL

2. Three officers (two from NE, one from AF) scheduled for one-man posts were given a brief two-day tutorial in place of participation in the COS Seminar.

[]

3. During the period of this report 11 programs involving 13 trainees were conducted. Seven programs were conducted in [] two in 25X1A
[] and two were TDY's. Four programs were completed, one was continued, and six new ones started.

4. Since 21 July we have received four training requests (three AF and one FE) which require presentation in French. Five instructors are needed to handle these TDY requirements. Our French-speaking instructors are already committed to programs which run into November. Therefore, none of the above training can be scheduled before early 1972.

25X1A9a

5. Mr. [] departed on 8 September for [] where he will 25X1A6a
conduct a one-week program and a three-week program.

25X1A6a

6. Messrs. [] departed on 7 September for 25X1A9a
[] where they will conduct a four-week program.
